

Visit Belzona at the Facilities Show 2010, Birmingham, UK, 11th- 13th May

Belzona will be exhibiting at the Facilities Show exhibition at the NEC, Birmingham, from 11th-13th May in Hall 1 **Stand D55**.

Belzona will be showcasing its solutions for the repair and protection of your facility ranging from repair and protection of roofs, including lead encapsulation, concrete repairs, interior and exterior roof coatings and safety grip systems.

In addition, on Thursday 13th May at 10:45am- 11:30am, Belzona will be presenting in The Facilities Show Seminar Theatre on 'Polymer Technology in Facilities Maintenance' where we will be doing a live demonstration of some of the solutions we have to offer.
